Jared's Jams opened for business in 2021 in the heart of the South Bay Area. Jared's Jams can be found in Morgan Hill, CA just a few short miles from Highway 101.

As a family business, we know that spending time with family is always the most important. As a result, we offer U-pick events where kids of all ages can come with a parent to pick their own fruit! We offer this experience for families to bond and learn agriculture through hands-on experiences.

Here, family comes first, but that doesn't mean the fun has to stop when it's a rainy day!

For these occasions, we offer our signature handcrafted Jams for all to enjoy.

All signature jams are crafted from fruit grown in our orchard and has a taste unique to our area.

Our jams go great with toast on a cold morning or a Peanut Butter and Jelly Sandwich packed for a school lunch.
